This Month!

Our language this month is Chinese! We will be learning about money and practicing how to write letters. As part of our Practical Life lessons, we will be learning how to wipe up a spill and how to clean a mirror. We are also working with the Leaf Cabinet and learning about magnets. Our main theme for the end of December is Holidays Around the World, when we will be learning about Kwanzaa, Hanukkah and other holidays.

Fundraiser

Thank you to all of the families who participated in our "Enjoy The City" Fundraiser. We are very excited about the new equipment and materials that we are going to be able to purchase just in time for the holidays! And we hope that you are enjoying the coupons in the book. Thank you.
