**Parents**

Thank you to all of the parents who brought in Tissues this month. We really appreciate it! You can still donate a box if you haven't. We really appreciate it. We rely on parents to make our program a success. Please read your child's Daily Report each day and look over any information that you receive. Sometimes we ask for family members to come in, if possible or to send in a picture or other information. Children truly benefit from your response, so please reply promptly and support your child's education.

Thank you!
